

# WHY WEB STORES WORK FOR CONSTRUCTION & TRADES

## Easier for Organizers

Forget spreadsheets, forms, and chasing down payments. Web stores handle everything from order collection to reporting—so you can focus on the big picture, not the busywork.

## Better for Shoppers

Shoppers get a fast, mobile-friendly experience with clear product previews and simple checkout. The easier it is to order, the more likely they are to follow through.

## Make Merch Simple

From setup to delivery, web stores take the chaos out of custom gear. Everything's in one place—branded, professional, and ready to go when you are.
